WHAT IS HIGH SCHOOL LIFE?

What is high school life? It is a combination of many things. It is the everyday pattern, a talk with friends, a walk down a busy or empty hallway, daily homework, and a feeling of belonging. It is the challenge of learning; learning facts, learning to be an individual, learning to understand others. It is the fine relation between students and teachers and the constant exchange of ideas between them. It is the willingness of the faculty to share their knowledge, to offer encouragement to eager minds, and to guide students towards worthwhile goals. It is the classes which serve as a basis for a future by giving a firm background of knowledge for an adult life. It is the varied curriculum which is offered to meet the needs and aspirations of each student and which helps students prepare for the future. It is the extra time spent in being a part of the school by serving it, backing it, and enjoying it. It is the joining with others in the wide range of clubs and their many extra activities. It is the memorable moments of four years — the thrill of a homecoming day with the excitement of a parade, game, and concluding dance, the prom with long dresses and tuxedoes, and graduation with its mixed emotions. It is the keen competition of sports — the desire to do the best for the school. It is sportsmanship on the highest level. It is cheering for the team and singing the school song. But above all it is a beginning, the beginning of an adult life — four years devoted to finding a place to go and a way of life.

Dear Betty,
It's been a lot of fun having you in Geometry and good luck in the future
Bob

Homecoming weekend started off with a pep assembly at which our queens were announced. Cindy Bishop, last year's Varsity queen, returned to crown our Varsity queen Laura Swiontek and our Sophomore queen Bonnie Standley.

The parade floats, based on the theme "The Greatest Show on Earth," represented much hard work by the various clubs. The Falcons went on to win against Wheaton with a score of 25 to 14, although they were hindered by rain and mud. The day was climaxed by the dance "Enchanted Carousel."

MEMORABLE MOMENTS

Juniors and seniors alike look forward to the Junior-Senior Prom. Sponsored by the Junior Class, last year's Prom was held at the Sabre Room. Following the theme of the Sabre Room itself, the Prom was named "Exotica."

Last year's Prom was special in that it was the first Prom held for West students alone. At our first Prom, students danced to the music of Charles Botta.

Seniors looking back to the Prom will remember it as a gay and exciting climax to their four years of high school life.

Most memorable of all events, graduation is a time of looking back on four years of high school life; but it is also a time for looking ahead to future plans.

Graduation events started off with an all-school assembly held to honor the outstanding students of the Senior Class.

At Commencement, the main speaker was Dr. Stacey L. Weaver, president of Methodist College, Fayatteville, North Carolina.

It is with mixed emotions that a Senior looks forward to his graduation, and it is with mixed emotions that he will remember it.

BOARD OF EDUCATION

Dear Betty,
Here I am wishing you the happiest summer of your life
I still say you look like a soft, cuddly bunny rabbit.
Love,
Angie Stawarnic

BOARD OF EDUCATION

Edward W. Chodl, Otto Pecha, Jr., James J. Zourek, James C. Soper, George Prosch, George Nemec, Otto Oplatka, Joseph F. Mrizek.

Behind the scenes of the student school life are the eight figures who make up the board of education. These men are a group about whom the average student hears little. However, they are active in the welfare of the school and have the responsibility of supervising operations. At monthly meetings held in Dr. Cooper's office, they determine the policies of Morton, budget all money, and secure teachers and other members of the staff.

Dear Betty,
It sure has been fun in Geometry this year. Am glad you asked all them questions instead of me because I didn't know what to ask. Best of Luck to a great kid
Your

SUPERINTENDENT

DR. WALTER L. COOPER

Dr. Walter Cooper, superintendent of Morton High School and Junior College, should be given much credit for the superior manner in which he has filled his difficult position. He has always taken an active part in student activities. Dr. Cooper's duties include a variety of things such as keeping the community up to date regarding the activities of the school, and working with the members of the board to supply the needs of the Morton students.

ADMINISTRATORS

DR. ROY C. TURNBAUGH

Dr. Roy C. Turnbaugh, assistant superintendent and principal of Morton West High School, is the liaison between the school, the community and the board of education. He is responsible for all public relations and makes every effort to uphold the fine academic rating attributed to Morton West. With the combined co-operation of the deans and the assistant principal, he maintains a smooth and efficiently run high school which achieves its purpose in taking young people and forming them into good citizens prepared for the world.

MR. L. C. E. PRUCHA

As assistant principal, Mr. L. C. E. Prucha has a great many duties to perform. He assists the principal in providing an adequate program of extra-class activities. He supervises the maintenance of pupil records and attends interscholastic contests. In addition, he assumes the responsibilities of registration. With all these functions, Mr. Prucha still finds time to discuss or listen to student problems.

Dear Betty,
We sure had a lot of fun in world history this year. I really hope we get each other next year.
Class
Lots of luck
and love
Peggy

MR. V. J. CERVENY

As curriculum coordinator, Mr. Cerveny must work with the teachers and division heads to help them develop the curriculum of their departments. Mr. Cerveny heads research which is the basis for important decisions. In addition, he attempts to coordinate some of the activities between the high school and junior college.

Mr. Tuleen has an important position as director of public relations. Planning the school calendar, conducting our assemblies, arranging for community and school use of Morton's facilities, and selecting students elegible for scholarships are activities under his jurisdiction. For years Morton students have had a deep respect and admiration for Mr. Tuleen.

MR. L. F. TULEEN

DR. JOSEPH ONDRUS

The position of business manager is admirably filled by Dr. Joseph Ondrus. Among some of the duties of Dr. Ondrus is the handling of finances, preparing the budget, purchasing items for the school, and supervising the financial business of the cafeteria.

IN MEMORY

MISS OLGA H. BUSH

Miss Bush came to Morton in 1937 to teach Spanish. She was appointed dean of girls in 1943 and was known for her interest in students and for her understanding of student problems. In 1950, she was appointed head of the Language Arts division. She held both positions until the opening of West when she became dean of girls at the new building. She held this position until her death in June, 1962.

Some of Miss Bush's zest for life, some of her gallant spirit, and some of her advice to students will continue always in the hearts of Morton students. The MWSC has established the Olga H. Bush Memorial Scholarship Fund in memory of her. With sadness and deep affection, Morton has bid farewell to Miss Bush.

DEANS AND DEPARTMENT HEADS

MISS E. JAHELKA, MR. E. A. WRIGHT; MISS M. ANDERLE

The purpose behind all the work of the deans is to help the students solve their problems and to assist them in getting the most out of their school life. The deans give their constant attention to the problem of regular attendance. Assigning teachers for hall and cafeteria supervision are also other duties of the deans. The job of Miss Jahelka and Mr. Wright and Miss Anderle requires a great deal of patience, and understanding.

SERVING US FAITHFULLY

Two of the busiest people at Morton West are Mr. E. Savickas of receiving and Mr. J. Kawczynski of the supply store. Mr. Savickas has the job of assembling and handling all new shipments arriving at the high school. After these shipments have been received, they are then delivered to their proper location, which many times is the school supply store and ticket office. Here Jack performs the duties of selling tickets to all special functions and athletic activities. He may also be found in the ticket booth for all musical performances of our school.

TICKET OFFICE and RECEIVING

An accurate record of the enrollment of the students of Morton West is carefully handled by the Registration Office. A personal check into all programs is handled in the Registration Office by Miss K. Norman and Mrs. L. Nelson. Mrs. Varda, the records clerk, is responsible for the recording of credits and the issuing of transcripts. Close co-ordination between Mrs. Varda and the Registration Office is essential to the smooth running of our school.

REGISTRATION OFFICE

HEART OF MORTON

DR. T. J. JASINSKI

Whether a student complains of a minor injury or a loose tooth, the doctor, dentist, or two nurses of the Medical Department are always ready to administer immediate attention. In addition, they give annual physical and dental examinations to the students.

DR. H. J. SMEJKAL

To maintain a high standard of efficiency, high skilled women are employed for the office staff of Morton West. These women work in every department, and they have a variety of tasks to perform. New machines and modern office equipment help to ease the burden placed on the women of this staff. Registration, report cards, and school bulletins are additional responsibilities of this staff.

Under the supervision of Mr. Thomas Black, the maintenance department continues to keep the halls of Morton clean and shining. The efficient men and women of this department are constantly working to provide us with comfort and convenience.

JOINING WITH OTHERS

During the summer, the **TALON** staff started work on the cherished book of memories that would, in the end, prove to be "the greatest yet." The way paved by the 1962 **TALON** made this year's **TALON** the second generation of fine traditions. With the beginning of school, the bulk of work was promptly started by the staff, working with its advisor, Miss E. J. Hradec. Pictures were taken, catching autumn's glory, and clubs' activities. Copy was written and layouts were made. As the year went on, deadlines were met and the development of the book neared its end. With the final deadline, a feeling of work well done was felt by all. The **TALON** staff's final job of distributing the **TALON** in June ends a year of activities well recorded in the annual. The staff's many hours of hard work do not go unrewarded; members of the staff end the year with a feeling of accomplishment and pride, for they have helped to make the **TALON** a permanent memory of high school events that the student body will always cherish.

EXPERIENCE IN

Scenes are perfected at dress rehearsal.

Dramatics . . . The big production of the drama department this year was "Bye-Bye Birdie," a satire on Elvis Presley. The play tells the story of Conrad Birdie and a final publicity stunt before he becomes a private in the Army. The combined efforts of Morton West and East and the Junior College made this Broadway musical comedy a sell out all four nights of production. Morton West students starring in the play were Linda Bates, Karen Huss, Rhonda Neswitz, and Vince Sackett.

The crew awaits their cues.

The biggest project of the school year for any committee is Homecoming. Activity Committee is responsible for much of the work that must be done to make it a day to remember. The committee must make arrangements for the assembly and the election of queens. They must also plan the parade, first and most colorful of the many events happening that day. The committee also enters a float of its own. With the remainder of the year our halls are always bursting with spirit as the Activity Committee decorates them with attractive ideas suitable for each seasonal occasion.

Homecoming is our meet.

Each member of Social Committee works for a pin which is distinguished by a light bulb with the word Socialite inside. Also, each member becomes a part of the school activities and receives the satisfaction of a good job after looking back on a most successful dance.

We strive for a job well done.

VARSITY TAKE SECOND

Varsity Football . . . After beating Riverside-Brookfield with a final score of 21—14 in a hard fought opener, the Falcons successfully encountered league competition with a win over East Leyden. Then the Falcons dropped a heartbreaker to Proviso West. Following this loss the varsity bounced back with a win over Glenbard East. The next win happened to be a consecutive win over West Leyden. October 20, the game to remember is this one, a Morton West victory on Homecoming Day. The team beaten this time was Wheaton, one of the tougher teams in the league. Now the Falcons were really moving. Deerfield was the next team to feel the Falcon's wrath. The Falcons were paced by Bobby Coyer, the leading ground gainer on this year's team. Coyer was also the leading Falcon scorer. Lee Mungai and Scott Jackson shared the duties of being the Falcon's Varsity Captain. Lee Mungai, Scott Jackson, and Bobby Coyer were all admitted to the All-Conference team.

J.V.'S GO UNDEFEATED

J.V. Football . . . The Morton West Jayvees football team added to the ranks of its victories this year, as well as to those of its fine coach Mr. James Kraus, by turning in an undefeated slate in the Interim League. Blemished only by an opening game tie with Niles West, a 13—13 exhibition game, the Jayvees executed near perfect blocking, tackling, and other fundamental skills, in winning their seven league encounters. The Falcons averaged 6.0 yards per carry on the ground, and contributed a potent air-game to their versatile offense. Sophomore Tim Hoeksems led the way for the Jayvee mark-carriers, and was also the squad's high-scorer. Coach Kraus utilized a mixture of sophomores and juniors in completing his third season as a grid mentor at West. Two of the outstanding games played by the Jayvees were at Proviso West and Glenbard East. Fortunately, they were both won by the Falcons, 13—6, and 19—14 respectively. The Wheaton Jayvee unit also provided "Homecoming" trouble before they were subdued, 7—0 in the wind and the rain in a field of mud at Hoffman Stadium. One bright throught that can be touched upon is that the experience gained by this year's fine Jayvee team will be instrumental to the Varsity next year.

IMPROVED ATTENDANCE

Varsity Wrestling ... This year's varsity team of mostly seniors, ended up with a respectable record. The wrestling team was somewhat hampered by injuries to key players. This year, however, with the fine coaching of Mr. Ken Geiger, these boys performed well. Lee Mungai, who took the Heavyweight State Championship and Scott Jackson, two outstanding players who are All-state candidates, did a fine job.

Junior Varsity Wrestling ... Just as in previous years, the Junior Varsity wrestling team finished the season with a fine record. During the season, the J.V. team compiled a winning record with only two defeats. Many of the wrestlers that made up this year's J.V. team will be seen on next year's Varsity team. The J.V.'s are coached by Mr. Ken Geiger, head Varsity coach.

INSPIRES WRESTLERS

Sophomore Wrestling . . . In this, their second year of competition, our sophomore wrestlers did a very fine job. Coached by Mr. Deizman, these boys should do very well on both the Junior Varsity and Varsity levels in the future. At one time during the season they compiled a record of 1 win, 6 losses and 2 ties.

Freshman Wrestling . . . Though inexperienced in high school athletics, the freshman boys did an excellent job under the coaching of Mr. Polz. They have done a worthy job of continuing the fine tradition of previous Morton West teams. With the added experience of this their first year, they will be an asset to Morton's wrestling teams.

The pace-setting diver was Larry Olson. Other pace-setters were Bruce Schaufel, Harry Klar, and Al Wycpalek. Their coach, Mr. C. L. Bond, felt that this year's team members were dedicated workers who consistently improved their swimming ability.

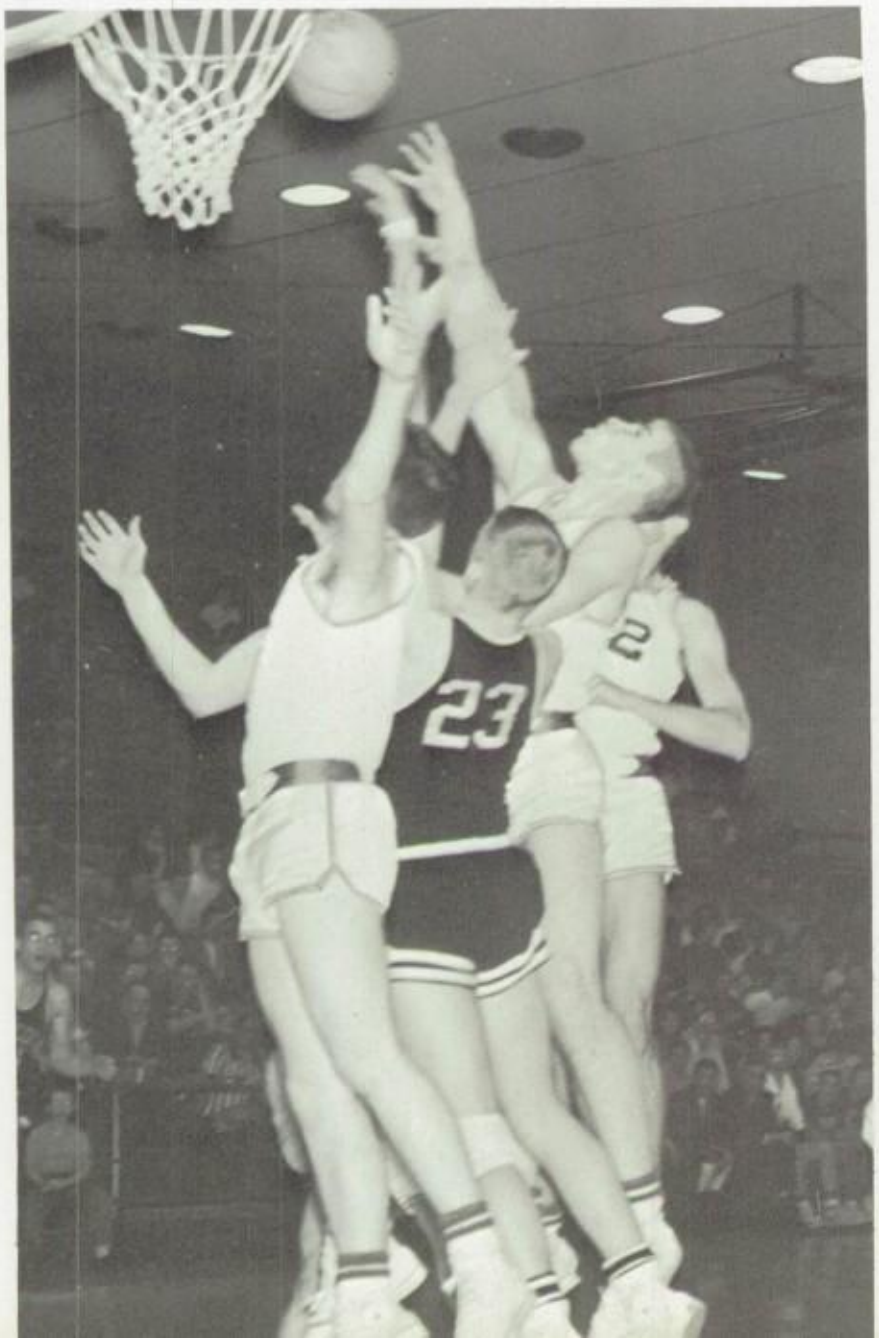
FALCONS FIGHT AND WIN

Carl Gatlin lays it in.



Varsity Basketball . . . In Morton West's second and last year as an Interim League participant, the Varsity basketball team again provided a thrilling and honorable season for themselves and their school. Despite the overall record of 15 wins and 10 losses these boys were 6 and 1 in tournament competition. The Falcons dominated the Christmas Holiday Tournament at Proviso West by knocking off Glenbard East, Niles West, Highland Park, and then in an exciting game defeated Maine West to capture the tournament trophy! In the Morton West Regionals the Falcons defeated Argo in a triple overtime battle, and went on afterwards to defeat Oak Lawn. Carl Gatlin took scoring honors in this game with 20 points and controlled the backboards with 15 rebounds. The cagers then bowed to Morton East, in one of the most thrilling games of the year, 61 to 59. Center Carl Gatlin, who paced all Morton West scorers, led the team in rebounds, and in addition, was named to the Interim League's first team and was given as honorable mention in the all star's poll of the suburban leagues. His fine and consistent play heavily contributed to the Falcon's success. Agressiveness expresses the play of versatile Dennis Roberts, who furthermore sparked the team. Dan Otten, a senior forward, also contributed by his hot shooting and rebounding, along with Rod Moss, senior guard, who was given an honorable mention on the Interim League's All-Star Team. With the able coaching of Mr. J. Capron, the Falcons proved they could fight and win.

J.V. Basketball . . . The 1963 Morton West Junior Varsity basketball team ended this season with a reputation worthy of a top scoring team. The J.V.'s led by such fine players as Adam Miskawiz, the top scorer, John Medlicott, Jerry Wainwright, Dick Smith, Dan Brasic, Terry Sheehan, and Ron Popper confirmed the Morton tradition with a 41 to 33 victory over Riverside Brookfield. After winning to Forest View 48 to 36 they lost a hard fought battle to Proviso 38 to 48. Three consecutive wins boosted their spirits but two losses came next. With a victory over Wheaton 56 to 27 they followed up with two more wins over Glenbard East and Forest View. Because of the high scores brought home this year by the Junior Varsity team, it looks like Morton West will have another great Varsity Team next year.

Varsity Baseball ... This year's baseball season opened with a loss to Willowbrook; final score was eight to three. Morton came back fighting and took a win over scoreless Willowbrook by five runs. In a close game, Morton fell to Niles, eight to seven. Wheaton met a team of fighting Falcons who won two consecutive games from them by wide margins. The Falcons went on to beat Deerfield and Glenbard. Maine West stopped the winning streak, but Morton came back to finish the season with five wins and two losses, leaving the Morton West Falcons with a commendable record of eleven wins and five losses. This placed Morton West as fourth in the Interim League.

VICTORIOUS FROSH-SOPH

Varsity Track ... The Varsity Track team had a winning season thanks to a hard working team. The depth of the team was made up of seniors, many of whom were in their fourth year of track. Coach Smith was especially pleased with the team due to their progress in the distance events. This year's captains were hurdler Bernie Ness and middle-distanceman Ted Nykiel.

Frosh and Sophomore Track ... The Frosh and Sophs continued their winning seasons this year after their undefeated seasons last year. The Sophomore's biggest improvement on the team was in the half-mile and mile. Top men on the Sophomore squad were Tom Ziska, Bruce Self, Jim Charvat, Tom Srachta, Bill Zakavec, Rene Vereecken, and Ed Halik.

Cheer boosters!

B. Swade, S. Paul, J. Reznicek, J. Nepil.

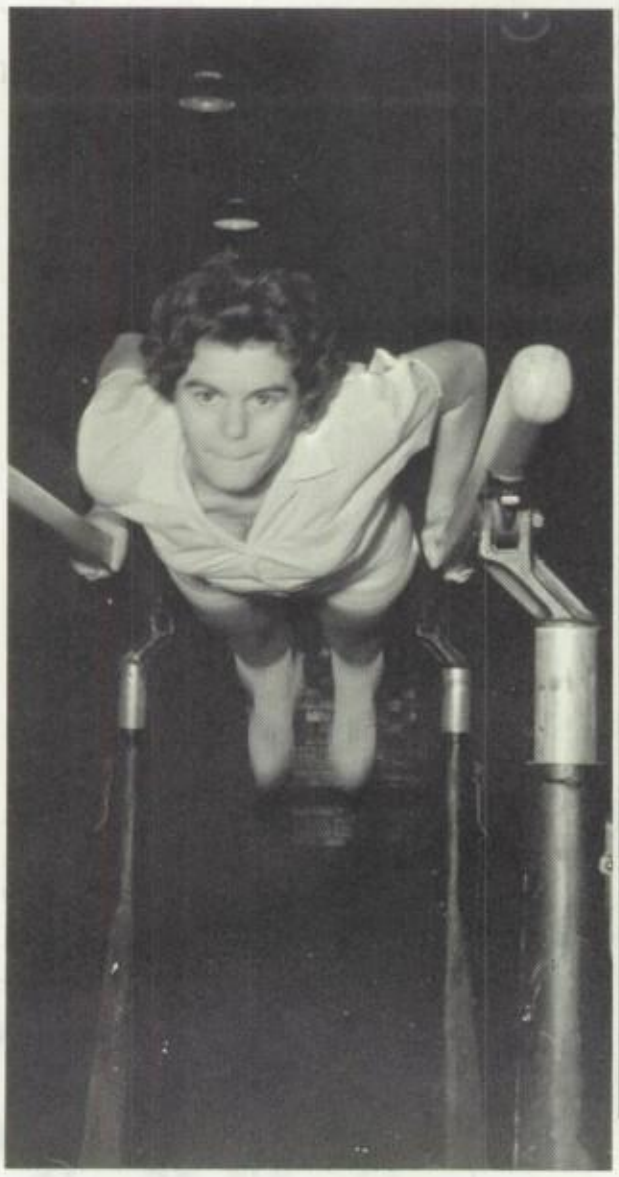
Cheerleaders . . . Bursting with enthusiasm, Morton West's two squads of cheerleaders do a fine job of creating school spirit at our football and basketball games. The privilege of being a cheerleader is truly earned since the standards and skills are being raised each year. Besides having excellent tumbling ability, these girls must have a "C" grade average, poise, personality and a style of their own. They are judged on these traits and routines which they are taught for the tryouts in spring. Those who are chosen then practice old and new routines for the coming year. This year the cheerleaders have been raising money so that they may attend camp during vacation to learn new and different techniques for the coming year.

SPORTSMANSHIP

We've got the Falcons on our team!

B. Ratay, G. Konvalinka, M. Bending, J. Babka, J. Pasquinelli.

Leadership . . . It is the responsibility of the girls in white to aid the gym teachers with reasonable proficiency in all girls' sports and to lead the class. These skilled girls assist gym teachers in taking roll, demonstrating skills and refereeing all games conducted in the class. Sophomore girls with a "C" average in their academic subjects, a "B" average in gym and a recommendation from their former gym teacher can enter this specialized field of the P.E. department. The junior year consists of training in sports, and efficient handling of a gym class. Although their job is a difficult one, the girls find that being a leader rewards them with a feeling of satisfaction.



Along with leadership comes skill.

IS THEIR AIM

Leaders promote interest in girls sports.

PRACTICED CO-ORDINATION

Tumbling Club . . . girls interested in tumbling and who have a certain amount of skill find the tumbling club one of their most enjoyable activities. To be a member a girl must pass a skill test consisting of a forward and backward roll, head stand, cart wheel, and a limber, in good form. During the year they work on these skills to perfect them and also learn new ones. By attending meetings and earning points through advanced skills, the girls may work toward their "M," which takes 500 points to earn. This year's extra activities included sales to raise money, and performing at the gym show and PTO.

Hey Betty,
We really loved having
you in our gym

Creative Dance Club . . . The purpose of this club is to give girls who are interested in creative dance a further knowledge of it and the opportunity to express themselves through body movements. All its members concentrate on developing grace, poise and ability and must possess a sense of rhythm and timing. The feeling of accomplishment after giving their annual Creative Dance Show repays the girls for all their long hours of practice they have put in. Besides composing the routines by themselves, they make their own costumes and select their own music. At the end of the year they have an annual banquet where awards are distributed to those girls who have participated faithfully in the club.

Girls' Athletic Association ... G.A.A. is a club constantly engaged in activity. Along with offering a fine sports program for its members, G.A.A. promotes leadership, character, and most of all sportsmanship. Added to the sports program this year, which ranged from basketball to tennis, were included courses in "figure training" and Judo. Meetings are held once a month to plan its numerous activities such as sales, a Play Day for 8th graders, and the annual turnabout sock hop. Their busy year ends with a banquet in which the girls who obtained the required amount of points through attendance at sports, receive an award.

Officers and members plan their many activities.

EDITOR'S NOTE

High school life encompasses the faculty, classes, extra activities, and sports, and as a year ends it becomes one more thing; it becomes a memory, a hazy image of the most memorable days of our lives.

We of the TALON staff have tried to permanently record this year on the pages of the 1963 TALON so that when you look through this book now and for many years to come those hazy memories of happy hours, days, and years will once more come clearly to mind. We hope you find as much enjoyment in owning this book as we have had in making it for you.

Credit is due to all the people who have made this year's TALON possible. Miss Emily Hradec, our most capable advisor whose own enthusiasm for the book and confidence in us has served as an inspiration to the whole staff, deserves and gets our deepest gratitude. Appreciation also goes to the administration and faculty for the co-operation they have given us during the year. We must also give our thanks to Gibson Studios who did most of the photography for this book. And finally, our thanks go to our publisher, the American Yearbook Company and their personal representative, Clint Parsons.

I would like to extend my personal thanks to all the members of this year's staff for their hard work which merits more recognition than they may have received. And I give special thanks to Jim Jones, my assistant editor, for his encouragement and understanding throughout the year.

Dear Betty:

To a real sweet kid, to whom I owe a lot of thanks - Betty, you've just been great this past year in everything. I really wish that I could have had you in a class, but there's thanks. Hope to have you in a class next year.

Have fun during summer (don't get too dark) & we'll see you next year —

Love & kisses

Russ

Dear Betty,

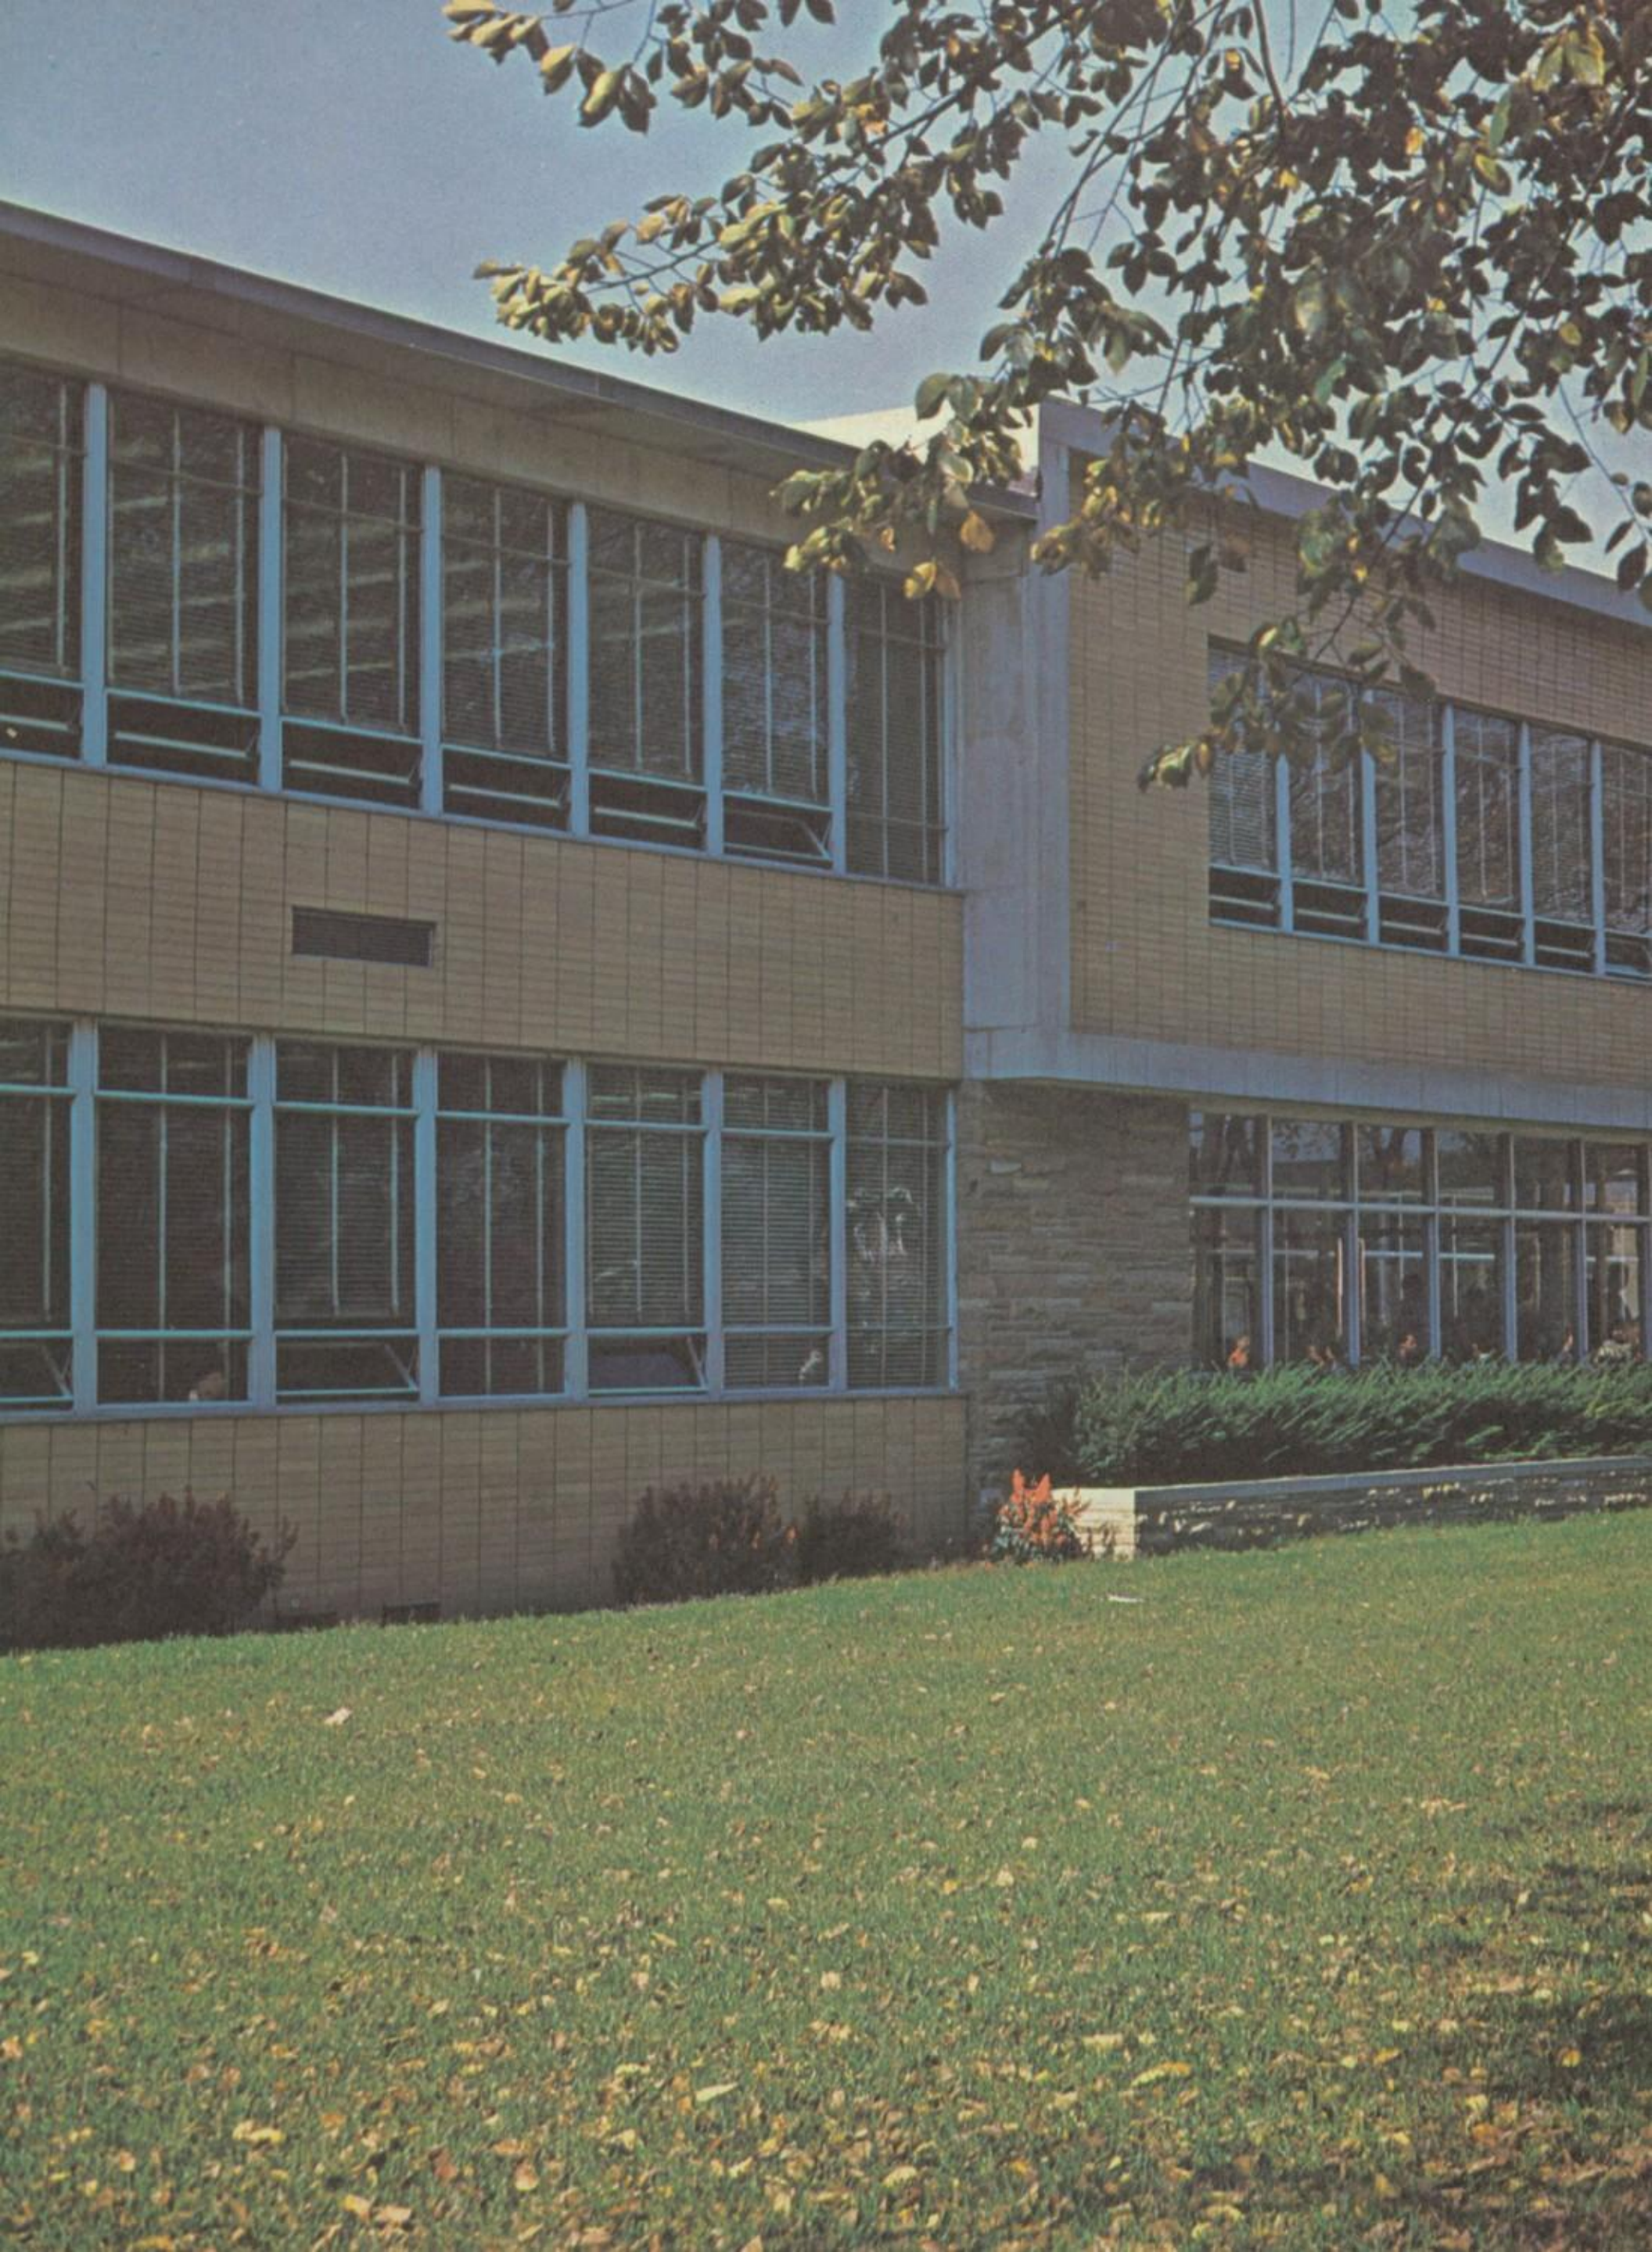
I really appreciated your telling me how busy the Dutch teets were even when they weren't. Lots of luck and happiness always. May be I'll get you in German next year.

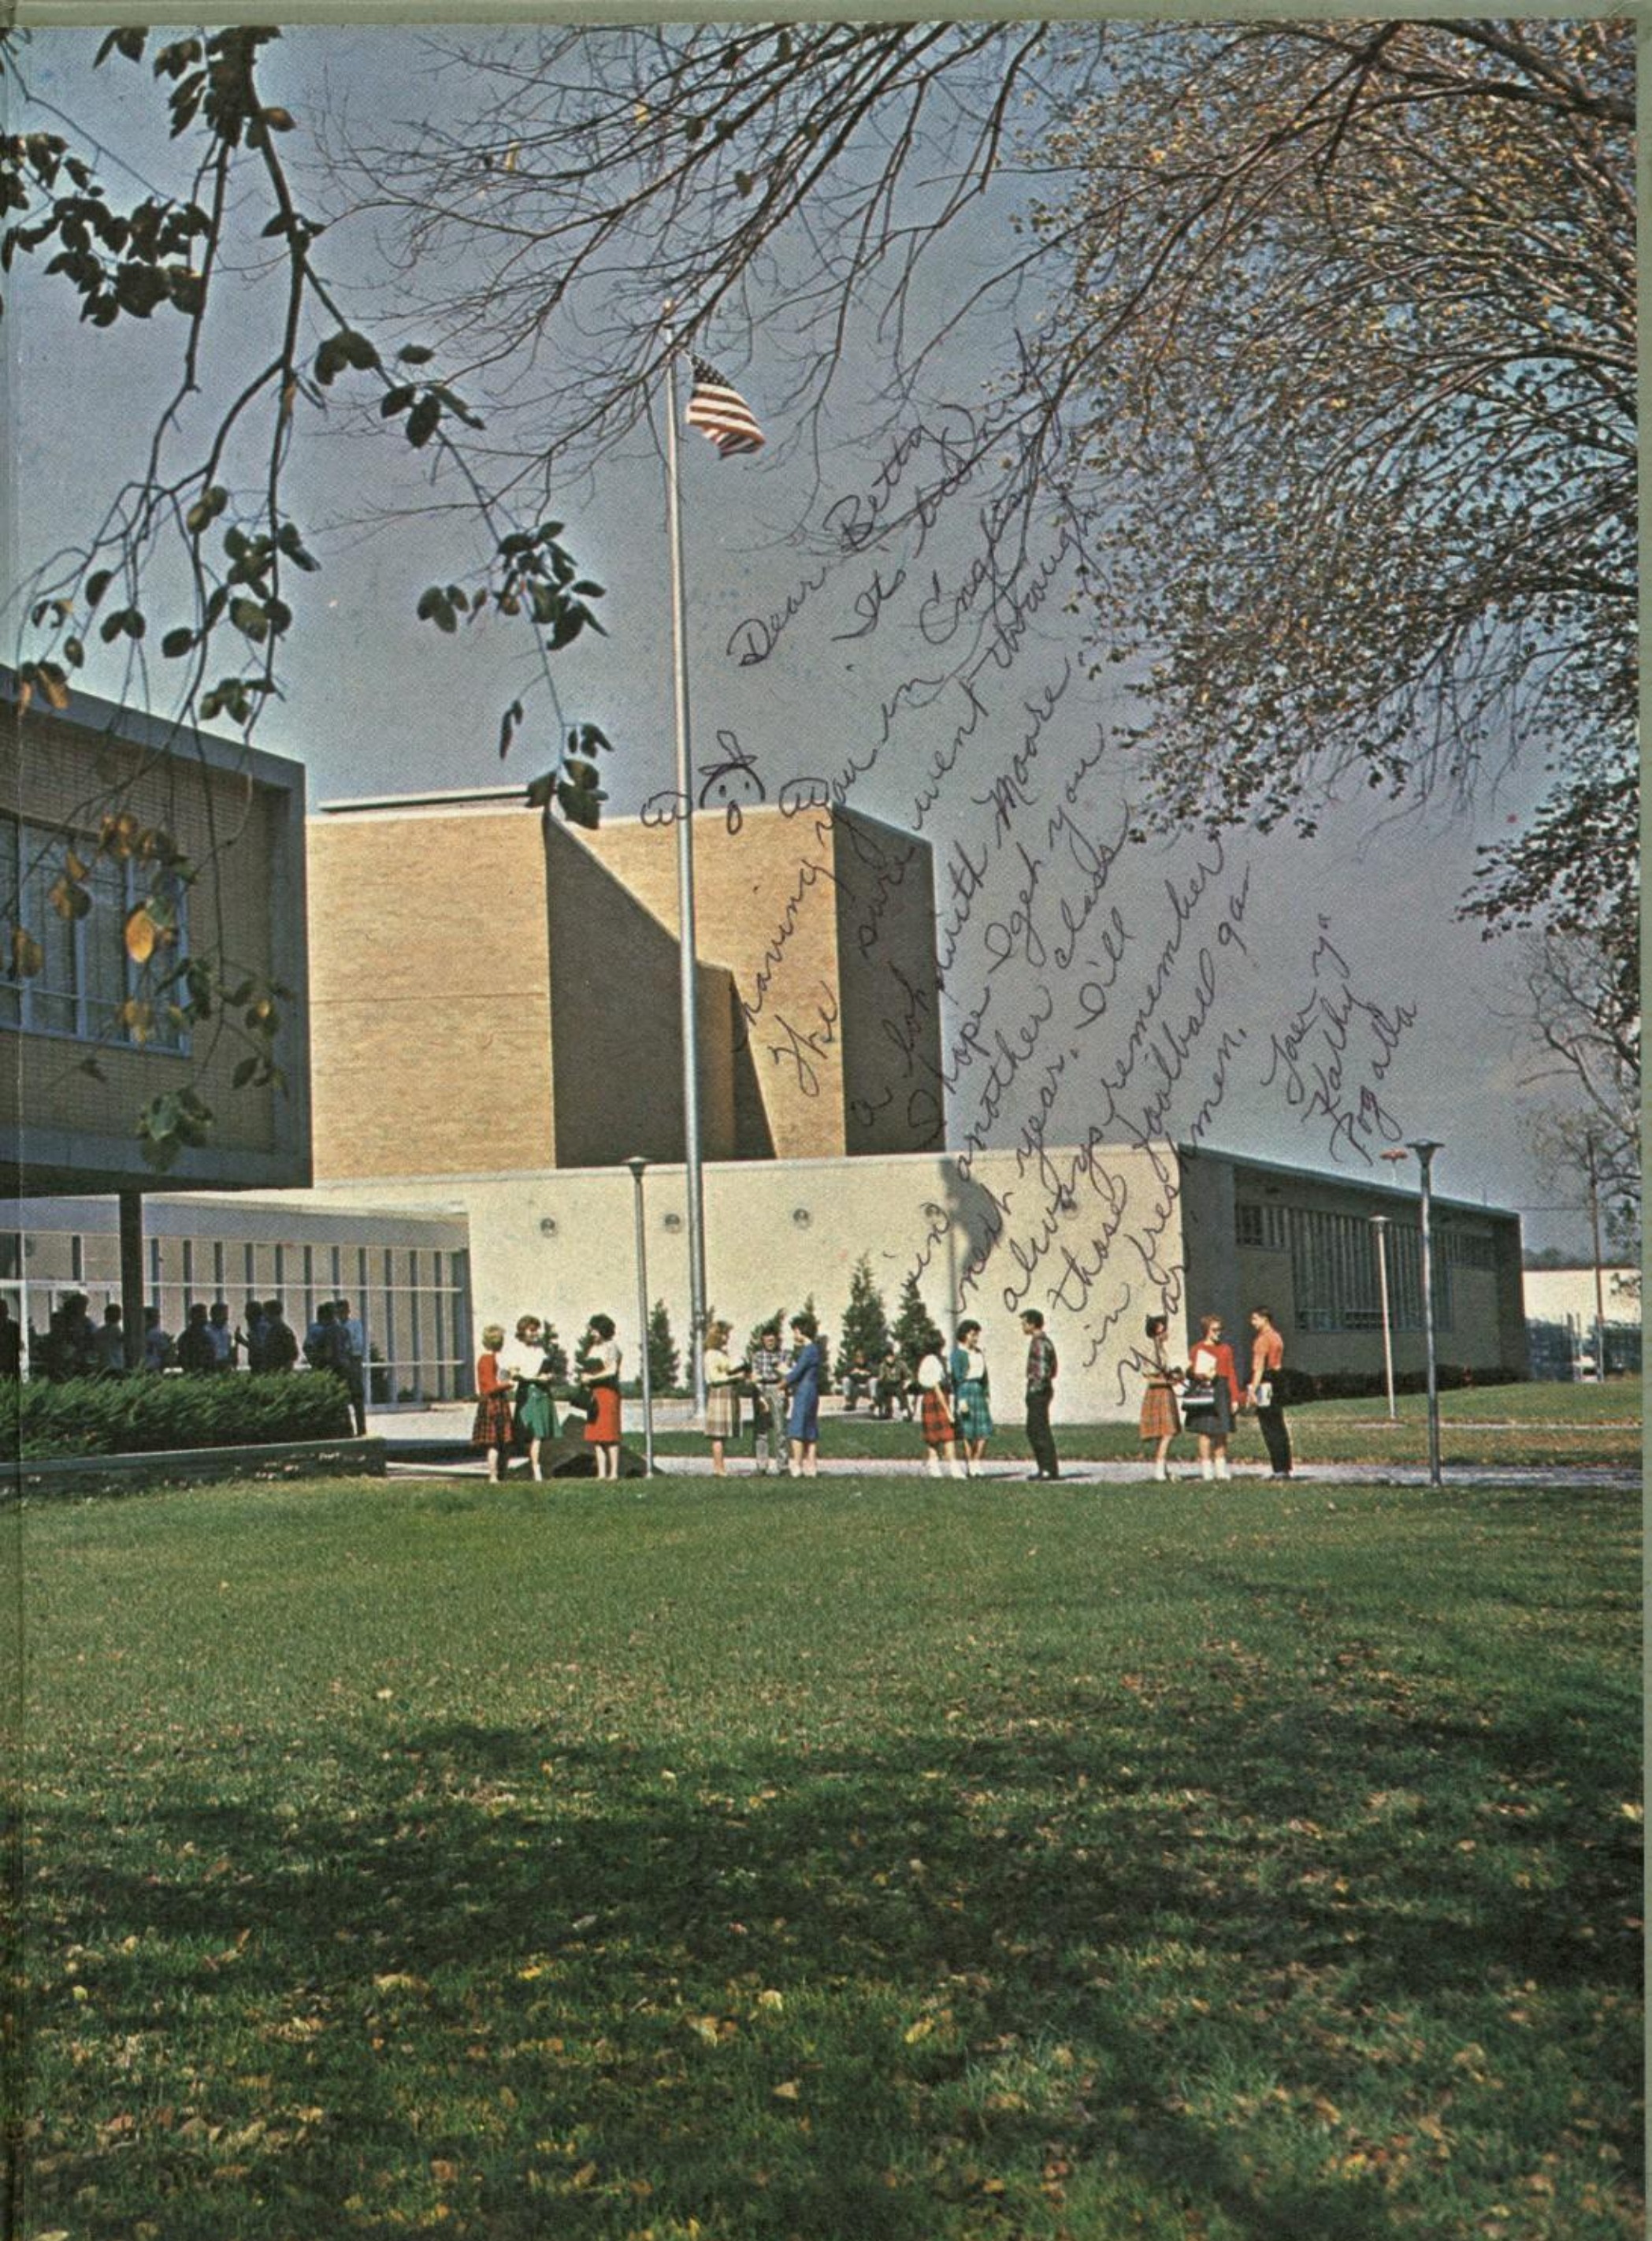
Love & kisses,

Karen the Library

Dear Betty

Been fun knowing you this year. Especially in the library (washing, shelving etc.). It was a lot of fun. Best Wishes to a cute girl

your best lover




Bill Ford
